

Faculty of Information Technology Time Table Full 2013-2014

All Lectures Time Table

09/28/2013

		08:00	08:30	09:00	09:30	10:00	10:30	11:00	11:30	12:00	12:30	01:00	01:30	02:00	02:30	03:00	03:30	04:00	04:30
Saturday	S1																		
	S2																		
	S3																		
	S4																		
	S6					Organization and Management in Healthcare Facilities BPL(10)													
Sunday	S1			English I(lab)															
	S2							Programming II(lab)					Mathematics II Room 5						
	S3	Int. to Computer Networking Room 6										V.Programming (lab)							
	S4							Software Engineering room 5											
	S6					Healthcare Systems BPL(10)													
Monday	S1			Programming I(lab)								English I Room 6							
	S2							English II (lab)											
	S3	Database System Room 5														English III Room 5			
	S4					Disease Concepts and Registries BPL(10)					Medical Terminology BPL(10)					English III Room 5			
	S6		Healthcare Systems BPL(10)								Medical Terminology BPL(10)								
Tuesday	S1									IT Foundation (lab)					Probability and Statistics Room 6				
	S2			Programming Lab II (lab)		Digital and Logic Design Room5									Probability and Statistics Room 6				
	S3	Computer Networking Room 5				Visual Programming (lab)					Database System Room5								
	S4																		
	S6																		
Wednesday	S1			Programming I(lab)								IT Foundation (lab)			Mathematics I Room 6				
	S2							Programming II (lab)											
	S3											Software Engineering room 5			Principles of Management(lab)				
	S4			Disease Concepts and Registrie BPL (10)			Medical Terminology BPL(10)												
	S6														Legal & Ethical Issues BPL(10)				
Thursday	S1			Probability and Statistics Room 6						Programming lab I (lab)			Mathematics room6						
	S2	Digital and Logic Design Room 5						Mathematics II (lab)									English II(lab)		
	S3					Visual Programming (lab)									English III Room 5				
	S4																		
	S6							Legal & Ethical Issues in Health Informatics BPL(10)
