Faculty of Information Technology Time Table Spring 2012-2013

All Lectures Time Table

28/09/2013

		08:00	08:30	09:00	09:30	10:00	10:30	11:00	11:30	12:00	12:30	01:00	01:30	02:00	02:30	03:00	03:30	04:00	04:30	05:00
Saturday	S1																			
	S2																			
	S3																			
	S4																			
	S6					Organization and Management in Healthcare Facilities BPL10														
Sunday	S1			English I Room 6																
	S2							Programming II(lab)						Mathematics II BPL9						
	S3			Computer Networking BPL9								V.Programming (lab)								
	S4									Software Engineering Room 2										
	S6					Healthcare Systems BPL10														
Monday	S1			Programming I Room 6									English I room 6							
	S2							English II (lab)												
	S3			Database System BPL9												English III BPL9				
	S4			Healthcare Systems BPL10		Disease Concepts and Registries BPL10						Medical Terminology BPL10								
	S6																			
Tuesday	S1											IT Foundation Room6				Probability and Statistics room6				
	S2			Programming Lab II (lab)		Digital and Logic Design BPL9														
	S3			Computer Networking BPL9		Visual Programming (lab)						Database System BPL9								
	S4																			
	S6																			
Wednesday	S1			Programming I Room 6									IT Foundation Room6			Mathematics I Room6				
	S2							Programming II (lab)												
	S3											Software Engineering Room 5				Principles of Management(lab)				
	S4			Disease Concepts and Registrie BPL10		Medical Terminology BPL10														
	S6											Legal & Ethical Issues BPL10								
Thursday	S1			Probability and Statistics Room6					Programming I lab (lab)	Programming lab I (lab)		Mathematics I Room6								
	S2								MathematicsII BPL9						English II BPL9					
	S3			Visual Programming (lab)								English III BPL9								
	S4																			
	S6							Legal & Ethical Issues in Health Informatics BPL10
